

EMERGENCY MANAGEMENT & SAFETY OFFICE

SUBJECT: Emergency Evacuation and Fire Drill Guidelines for Academic and Administrative Buildings

I. PURPOSE

The purpose of these guidelines are to provide for the orderly evacuation of a university building during a drill or emergency.

II. SCOPE

This procedure applies to academic and administrative buildings at UMW to assure compliance with The Virginia Statewide Fire Prevention Code.

III. RESPONSIBILITIES

A. EMERGENCY MANAGEMENT AND SAFETY OFFICE

The Emergency Management and Safety Office shall be responsible for developing protocols and procedures for building evacuations, the coordination of the fire drills and the evaluation of the drills and adequacy of evacuation plans.

B. VICE PRESIDENTS, DEANS, DIRECTORS, DEPARTMENT HEADS

Vice Presidents, Deans, Directors and Department Heads shall ensure their employees adhere to the requirements in this procedure.

C. FACULTY

Faculty are responsible for the safety of students in their class. Faculty shall take these measures before a drill or emergency:

- Review the evacuation plans posted in the hallway.
- Identify the quickest emergency escape route; this will be the primary escape route.
- Identify a secondary route in case the primary route is inaccessible.
- Identify a location outside and away from the building where the class can meet and ensure all students are accounted for.
- Review this information with each class

When the fire alarm sounds faculty shall:

- Take the class roster and immediately guide the students safely out of the building.
- Assemble the students at the predetermined accountability site.
- Account for students using the class roster.
- Report student status to the department head, building liaison or senior faculty member.
- Do not re-enter the building or leave the accountability site until clearance has been given.

D. STAFF

Staff personnel are usually responsible for only their personal safety. Staff shall take these measures before a drill or emergency:

- Review the evacuation plans posted in the hallway.
- Identify the quickest emergency escape route; this will be the primary escape route.
- Identify a secondary route in case the primary route is inaccessible.
- Identify a location outside and away from the building where the department staff can meet and ensure all staff members are accounted for.

When the fire alarm sounds staff personnel shall:

- Immediately leave the building
- Assemble in the predetermined accountability site
- Notify department head/supervisor
- Department heads/supervisors shall account for all personnel to ensure no one is left in building
- Notify department head or building liaison of the status of personnel.
- Do not re-enter the building or leave the accountability site until clearance has been given.

E. PROCEDURES

- Initially two buildings will be scheduled per week (Stafford and Dahlgren Campuses also included)
- Buildings will be notified of the week the drill will occur, not the specific time and date.
- Scheduling will be coordinated as best a possible with class schedules to meet academic objectives.
- Modifications to this program may occur as needed to meet goals and objectives.
